

Phillips binder head screws DIN 7985

Details du produit

Description

This cylindrical head screw Din 7985 NFE 25 - 121 is a nylon screw with a slightly domed head. It can be used with a cruciform tool and is perfect and very practical for fixing.

Advantages

This Din 7985 screw has a slightly domed head that ensures optimal fastening. In addition, this nylon screw does not conduct electricity and is resistant to corrosion and most diluted acids.

usage

This all-purpose screw can be used in industry, in furniture and in maintenance. This Din 7985 screw has a slightly domed head that ensures optimal fastening.
