

Hex head slotted screws

Details du produit

Description

Manufactured to DIN933 standard these hex head screws are also slotted providing two options for tightening.

Advantages

Provides a light weight, non corrosive, non conductive fastener with many other advantages over steel screws.

Qualities

Our slotted hex head screw offers excellent chemical resistance.

usage

This is a commonly used option wherever threaded fasteners are required. Please note: The finish of each piece may differ according to the reference chosen. Depending on the mold, the surface may be more or less rough. For pearlescent or metallic colors, streaks and color nuances may appear at the weld line. Illustrations are not contractual.
