

Knurled thumb screws 654

Details du produit

Description

This is a fully threaded screw with a 19.5mm diameter large knurled head. It has a fairly large head, which is ideal for fixing fixtures.

Advantages

This screw can be assembled by hand but also with a flat screwdriver. It thus offers a grip for advanced tightening.

Qualities

For the majority of screws there is an integral thread up to 80mm. For lengths 15 and 17 mm - 5 mm not threaded under the head.

usage

Used in industry and in aeronautics, this screw is a master screw that can be used in various more or less complex fields.
