

Rivet caps

Details du produit

Description

Designed for Pop Rivets, this caps will hide your rivets and finish your components.

Advantages

Held in by friction these caps provide protection from dirt and other contaminates

Qualities

They can also be used as decoration.

usage

where ever pop rivets are used. Please note : The finish of each piece may differ according to the reference chosen. Depending on the mold, the surface may be more or less rough. For pearlescent or metallic colors, streaks and color nuances may appear at the parting line. Illustrations are not contractual.
