

Vis tête plate

Details du produit

Description

Chez Bülte, nous vous proposons ces vis tête plate selon 4 diamètres de tête différents: diamètre 10 mm, 11mm, 12mm et 20 mm. Selon votre assemblage vous avez donc le choix. Par sa forme de tête, cette vis adoptera la forme du support sur lequel elle sera fixée.

Avantages

La vis tête plate se visse parfaitement à son support. De plus, elle ne conduit pas l'électricité et résiste à la corrosion.

Qualités

De plus, elle ne conduit pas l'électricité et résiste à la corrosion.

Utilisation

Ces vis tête plates peuvent être utilisées dans tous secteurs d'industrie mais sont souvent utilisées en menuiserie.
