

Bülte | Puntali flessibili rettangolari in PVC elastico

Dettagli del prodotto

Descrizione

Realizzati in PVC flessibile per adattarsi perfettamente alle estremità dei vostri tubi rettangolari, i nostri puntali rettangolari sigillano i vostri tubi e isolano il vostro lavoro (acqua, polvere, urti, ecc.).

Vantaggi

Questi puntali di protezione flessibili in PVC sono adatti a dei tubi rettangolari, si adattano perfettamente: possono essere allungate per adattarsi perfettamente senza strappi o rotture.

Qualità

Inoltre, nostri puntali flessibili sono isolanti (acqua, polvere, elettricità...) e resistenti (calore, agenti atmosferici...), per cui potete essere certi di ottenere una finitura ordinata e una lunga durata dei vostri assemblaggi.

Utilizzo

Sono spesso usati nell'industria automobilistica e aeronautica, nell'edilizia, nel settore elettrico, nell'industria medica, ecc.
