

Viti zigrinate flangia piatto

Dettagli del prodotto

Descrizione

Queste viti sono viti interamente filettate, bi-materiale con la testa zigrinata in Nylon nero e la filettatura in acciaio zincato. Si tratta dei modelli BPF 82 e BPF 86.

Vantaggi

Su una vite Plastometallica come questa la facilità di presa è un vantaggio. La sua testa piatta le permette di essere al filo del montaggio.

Qualità

Questa vite è resistente all'usura perchè è bi-materiale.

Utilizzo

Possono essere usate in qualsiasi settore di attività. Potete trovare il suo equivalente interamente in plastica nella nostra gamma Viteria.
