

Volantini triangolari (femmina)

Dettagli del prodotto

Descrizione

Si tratta di un volantino zigrinato di forma triangolare. Questo volantino triangolare è proposto in due diversi diametri: 30 mm o 49 mm.

Qualità

Questi volantini sono dotati di coperchio e gli inserti sono disponibili in diversi materiali : acciaio zincato ,inox, ottone, nylon

Vantaggi

La sua forma triangolare permette una buona presa e quindi una flessibilità per aggiustamenti regolari.

Utilizzo

Possono essere usati in qualsiasi tipo di settore industriale.
